DESCRIPTION OF AMENDMENT			

This amendment answers questions from potential Offeror's and adds clarification to evaluation criteria:

Question 1:

1. In the documentation the solicitation is referred to both as 267223 and 276223. Can you please confirm which is the correct number?

The correct solicitation number is 276223. Any occurrences of a different solicitation number within this solicitation is a typo.

Question 2:

2. Do lower tier subcontractors that are included in a proposal also have to be registered with WRPS or only the prime?

Only the Offeror who is submitting the proposal package and will be named on the subcontract needs to have the Reps & Certs completed and be registered on the WRPS vendor registration website.

Clarification:

During the pre-proposal conference there was discussion about labor categories, qualification standards, and whether this should be a "best-value" procurement instead of a "lowest-price technically acceptable" procurement. The positions of WRPS is that this procurement remains as a "lowest-price technically acceptable". All Offeror's will be evaluated for technical acceptance and determined to be acceptable or not acceptable, but will not be ranked higher or lower based on the degree of technical acceptance. All the Offeror's who are deemed technically acceptable will then be ranked in order based on price. The successful Offeror will be the proposal who is both technically acceptable and lowest price.

Except as provided herein, all terms and conditions of the solicitation remain unchanged and in full force and effect.

II. ACKNOWLEDGMENT OF AMENDMENT

Offerors must acknowledge receipt of this amendment in writing, by the date and time specified for proposal submissions or the revised Due Date above (if revised), whichever is later. FAILURE OF YOUR ACKNOWLEDGMENT TO BE RECEIVED AT THE DESIGNATED LOCATION BY THE SPECIFIED DATE AND TIME MAY RESULT IN REJECTION OF YOUR OFFER. If, by virtue of this amendment you wish to change your offer, such change must make reference to the solicitation and this amendment.
